ADD A SHORTCUT TO YOUR BROWSER TOOLBAR

- Go to basw.group-login.com
- **Explorer** - Drag the webpage icon from the address bar to an empty space on the toolbar.
- **Firefox** - Drag the webpage icon (or 'information' icon) from the address bar to an empty space on the toolbar.
- **Google Chrome** – Right-click in a free space on the toolbar and click on 'Add page'. Name the page whatever you like, and click on 'save'.

ADD AN ICON TO YOUR MOBILE PHONE HOMESCREEN

- Go to basw.group-login.com
- **Iphone** - Tap the "share" button on your browser's toolbar (it's the rectangle with an arrow pointing up.) Choose a name for the home screen icon. Tap on 'add'.
- **Android** - Press the menu button in the top-right corner of the browser, then tap on either 'Page' or 'Add to Home screen'. Tap 'Add Page Shortcut'. Your shortcut should now appear on your home screen.
